

Laissez Les Bons Temps Rouler! Let The Good Times Roll!

But some times you will encounter Bad Times and you Must be prepared. Have A Plan. YOU are the first person on the scene of YOUR disaster. Be prepared.

Personal Protection ... Personal Responsibility. Backpack ?

Move to high ground ?

Guard your property !

FEMA takes time to react

Then they are overwhelmed

You are on your own until help arrives. Be prepared !

- 1) **Have a Plan. Organize now. Survive !**
- 2) **Prepare your "Scoot Bag" so you can get out of harms way fast for 3+ days.**
- 3) **Equip your house (and car and business) to ride out and recover from all but catastrophic disasters. Do you have what it takes to Survive?**
- 4) **Mind-set; be ready to fend for your family and then to recover and aid your community. Be ready to defend yourself and your survival material. Others may turn to looting because they were not ready. Strong Defense!**
- 5) **Water, Food, Shelter, Tools, Communications. Defensive tools and proper education and TRAINING to use them when needed.**
